

Posting for Psychologist
February 25, 2019
Northbrook, IL

Wellington Counseling Group (WCG) is accepting applications for a full or part-time licensed psychologist at our Northbrook location. WCG is a well-established and thriving multi-specialty group practice, serving clients throughout the lifespan with three locations in and around Chicago.

Ideal candidates are those with experience working with children and adolescents, as this will constitute a sizeable portion of your clientele; however, this does not exclude working with adults (roughly 50% of caseloads). Candidates should also possess intermediate or advanced assessment skills and have passion for psychological/neuropsychological testing. The start date is negotiable depending on the circumstances and needs of practice and candidates.

Employees can expect to receive the following*:

- A vibrant group of professionals, where each clinician is encouraged and supported to develop their own clinical style and interests.
- A thriving practice established in 2005 with a steady stream of referrals for children, adolescents, and adults.
- Full use of billing staff and practice management software with onboard scheduling and notes
- Access to an affordable range of Blue Cross Blue Shield health insurance plans (employee-paid)
- Short- and long-term disability insurance
- 40-hours per year of paid "sick time"
- Malpractice insurance
- Participation in 401(k) and profit sharing plans, with institutional investment advice provided at no charge

Candidates must not maintain current employment relationships with other private practices or group practices. WCG requires all employees to sign a non-compete agreement. Please visit us online at WellingtonCounselingGroup.com, to learn more about our practice.

Interested applicants should email: info@wellingtoncounselinggroup.com

- Subject line should read: 2019 Northbrook Psychologist Application
- Cover Letter
- Curriculum Vitae
- 2 Letters of Recommendation from clinicians well-acquainted with your clinical work and professional interests
- Writing Sample of a psychological evaluation
- A list of tests and measurements you have administered

*note: some benefits may require greater than part-time status
